

**Governor Cuomo has implemented a \$15/hour minimum wage for fast food workers and State workers.**

**The Governor is currently developing his State Budget for next year.**

**WE NEED TO MAKE SURE THAT HE INCLUDES OUR WORKFORCE!**

**Ask everyone to send letters to the Governor, legislators, and newspapers. It is especially important that the Governor hear from staff who support people with developmental disabilities**

**TELL GOVERNOR CUOMO NOT TO FORGET US!  
STAFF WHO SUPPORT PEOPLE WITH DISABILITIES DESERVE AN  
INCREASE ALONG WITH THE \$15 MINIMUM WAGE!**

Tell the Governor - As you work to increase the state's minimum wage, I ask you to consider me and the importance of supporting direct support wage increases!

**Click here to use the [IAC](#) website to automatically send emails and find your local legislators to tell the Governor what we need.**

**Send letters to:**

The Honorable Andrew M. Cuomo  
Governor of New York State  
NYS State Capitol Building  
Albany, NY 12224

Once you click the link, click on the box that says "take action". If you want printed letters click the circle on the right next to "printed letters" then fill in the sender information.

I have also attached the letter in Word format for your use.

**Please join us and thank you for your support of this initiative!**
